

# Heybrook Primary School

## Lunchtime Policy

Heybrook Governors have taken the decision to provide lunchtime supervision **for every child in school.**

**All children** at Heybrook will be expected to eat lunch in school and to stay in school during the lunch hour. It is very important parents decide what their child is doing for

Families have the opportunity to:

- *Stay for a free school meal if your child is entitled.*
- *Provide their own healthy packed lunch this must not contain crisps, sweets or fizzy drinks.*
- *Buy a school meal, If you pay for school meals this must be paid for the full week every Monday, envelopes will be provided by the school office.*

The school is committed to helping as many families as

## **Supervision**

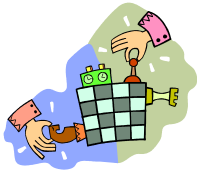

## Outdoor play

*We have extended our play areas to include four different playgrounds and a grassy play space.*

*We have extended the range of play equipment and play activities including music and dance sessions. We have installed climbing/adventure equipment in the front playground.*

*The school has a range of sporting activities at lunchtimes.*

## Indoor play

When the weather is too wet for the children to play outside they are able to stay inside, in small year groups to play with specially purchased lunchtime equipment, complete extension work, draw, play on computers or watch films on the big screen.

## Eating arrangements

Pupils can enjoy their meals in comfort as we

have two dining areas. Upstairs for packed lunches and downstairs for hot meals.

All parents are welcome to come in and sample the food and activities we provide at lunchtimes. Please let Usma Ahmed or the office staff know if you would like to come and join us.

Many pupils are entitled to free school meals but some parents have not yet applied. If you would like to apply we will be happy to help you with your application.

Alternatively you can contact the Advice Service at Rochdale Council on 01706 925371.
