

HEYBROOK PRIMARY and PRE-SCHOOL NEWSLETTER

July 2016

Out and about

Year 2 have been working hard in Geography to learn about oceans and in Science to learn about food chains and habitats. They finished this work by visiting the Sea Life Centre in Manchester where they saw lots of different animals, including sharks! The children were given an opportunity to get hands on and had fun touching starfish and crabs. It was a wonderful day out!

Year 6 went to Waddow Hall....

Activities included: Zip line, grass sledging, climbing, caving, night line and bouldering. Everybody had a lot of fun and it was a lovely end to the children's time at Heybrook.

We're going to the Zoo!

On Tuesday 12th July, **Year 3** went to visit Blackpool Zoo, to tie in with their Geography and English projects on the Rainforest. The children were lucky enough to see all of the animals they had been learning about and observe how they behaved. Highlights included Amazonia, an enclosed 'jungle' biome, where squirrel monkeys and Amazon Parrots could wander freely around the visitors.

IPLCN Olympics tournament

Heybrook recently attended an IPLCN Olympics tournament at Falinge High School.

9 schools from the IPLCN network participated. Heybrook were fantastic! We finished joint second, just 1 point away from 1st place.

Events included: Javelin throw, shot putt, triple jump, 100m sprint, 200m run, 800m run, 400m relay.

A Taekwondo well done

Congratulations to one of our **Year 4** children, Ismail Ali. This is what his coach said about him:

“Ismail was unanimously voted the best fighter of the day which is a massive achievement on his debut for the club.

He beat his opponent so convincingly that the opposition had to check his record to see if he had fought before. “

IPLCN Cycling Competition

Some of our **Year 6** children took part in the IPLCN cycling competition recently at Falinge Park. Out of the 9 schools that took part Heybrook came 2nd.

A huge well done to Majida, Shameer, Aadam, Shumanna and Mrs Buckley!!
