- Thank you for participating in Heybrook's *Big Battery Hunt* last week. Together, we managed to recycle an amazing 2624 batteries! Well done to the winning classes and a special mention to Year 1, who brought in a fantastic 505 batteries. Remember, you can now recycle your old AAA, AA, C and D batteries by bringing them to school and putting them into our giant battery stand in the foyer. Let's do our bit to help the environment!

- Year Six have been reading a book called 'Running Wild' by Michael Morpurgo, which highlights poaching and the cruelty of animals in Asia and Africa. As part of their English curriculum, they wrote letters to the Prime Minister Teresa May, to encourage her to help stop these atrocious acts. Miss Northover posted some of the letters from Mrs Rahman's class and they received a reply from the Prime Minister thanking them and praising their excellent writing. Well done year six.
- Our football team won 11-3 against Moorhouse Primary. It was an excellent team performance which was thoroughly enjoyed by all the spectators that had turned up to cheer our boys on.
- When leaving a message on our answer machine, please leave a clear message with your details so we are able to contact you. Thank you
