--	---	--

- Our Nursery is currently full therefore there will be no April intake. The next intake will be in September 2018. The Nursery children have been looking out for the sights of spring and we have been looking at our beautiful daffodils growing in the garden. The children have enjoyed the book, Goldilocks and the Three Bears and enjoyed making and tasting porridge and talking about a healthy breakfast. It would be lovely if parents/carers could take their children on a spring walk, looking out for the sights of spring and talking about the world around them.
- Children in Year 5 visited Chester Zoo. They enjoyed seeing many animals including lions, chimpanzees, red pandas, bats and the amazing and unusual okapi. The most striking thing about the okapi, the children found, was their beautiful dark velvety fur with stripes. The children were amazed to discover that this amazing animal was related to the Giraffe. Some of our children were even fortunate enough to hear the live roar of a lion as they walked past the Lion's enclosure-children described the vibrations that went through them as the Lions' sounds boomed across the zoo. Our children also linked their previous learning of the Amazon Rainforest when they entered and observed the Tropical Realm.
- Parents' Evenings will take place next week, letters were sent home. Please complete the appointment slips and return as soon as possible. We will have a number of book stalls where parents will have the opportunity to browse the books with their child, to support their reading at home. The books will be very reasonably priced. Payment will be taken at the stalls.
- Year 4 will be going to Touchstones after Easter to attend the 'Hadrian and the Picts' workshop. The dates are: **Blue class** - Tuesday 17th April, 12.30 - 3.00, **Turquoise class** - Thursday 19th April, 09.30 - 12.00, **Aqua class** - Thursday 19th April, 12.30 - 3.00. We are asking for £3 towards the cost of the workshop.
- There will be no after school clubs next week due to Parents evenings. Letters for clubs next term were sent home. If your child is interested in joining please complete and return.
