	Congratulations to Year groups: Rec, Year 1, 3, 4, 5 and 6 who have 95% and above attendance this week!

- On Monday 23rd April, Amber class visited Rochdale Library. The visit was arranged by the library staff to celebrate St George's Day. St George is the patron saint of England who famously slayed a dragon to save a princess. On arrival at the library Ray Stern, retired children's librarian, read the children two versions of the story of St George - one in which the dragon was an evil beast and the other in which the dragon was a friendly animal. The children were then allowed to explore the children's book section of the library and choose books to read themselves or with an adult from school. At the end of the visit the children were each given a book. All of the children thoroughly enjoyed the morning and are looking forward to returning to the library in the future.
- Reception children have been learning about growing, we are currently growing our own potatoes. The children are watering the plants every day. We have also been reading 'The Very Hungry Caterpillar' and have some caterpillars in each classroom. We are waiting for them to turn into butterflies.
- Heybrook Choir - Some children from KS2 attended the IPLCN Song Festival at Marland Hill Primary School on Thursday 26th April. They rehearsed songs and worked really hard for the event. It was a lovely event; our children sang confidently and listened well to the other performances.
- Year 5 Epic Steps Conference - On Monday 30th April and Thursday 3rd May, all Year 5 Children will be attending the Epic Steps Conference in Manchester. This is aimed at young children and is designed to raise aspirations, confidence and courage in pupils. Children will be given challenging, fun scenarios which they solve together.
